Presentation, Discussion and Action

1. East Franklinton - Graphic Design Guidelines

Jackie Yeoman provided a summary of the East Franklinton - Graphic Design Guidelines. The guidelines will provide signage standards for the review of graphics applications within the East Franklinton District. Mrs. Yeoman also explained a minor amendment to the text on page two of the document.

The Graphic Design Guidelines address:

- The purpose of signage within the East Franklinton District
- Submittal requirements for EFRB applications
- Appropriate design, scale, and types of signs for the EF District

The Graphic Design Guidelines recommend:

- Graphics that reinforce the creativity and character of the EF District
- Graphics that are pedestrian in scale
- Graphics that compliment building architecture

The Commission discussed the importance of the guidelines and asked Jackie Yeoman if graphic guidelines are commonly used by commissions and review boards. Mrs. Yeoman stated the guidelines are based upon similar standards for the Short North. Marty Anderson moved to approve the East Franklinton - Graphic Design Guidelines, Kay Onwukwee seconded. The motion was unanimously approved.
